

Poster number	Title	Presenting author
1	Recommendations on group housing of male mice - A compilation of experiences from Swedish laboratory animal facilities and scientific literature	<i>Kaisa Askevik, The Swedish 3Rs Center, Sweden</i>
2	Refinement of an animal model of acute inflammatory pain and arthritis using a transdermal fentanyl suspension	<i>Pernille Colding-Jørgensen, University of Copenhagen, Denmark</i>
3	See what you have been missing: what locomotor activity can teach us in terms of refinement, reduction and replicability 'round the CLOCK (24/7) animal studies	<i>Karen Ekkelund Petersen, SCANBUR, Denmark</i>
4	The skin of the naked mole rat (<i>Heterocephalus glaber</i>) is resistant to imiquimod-induced psoriasis-like inflammatory reaction	<i>Mosiany Kisipan, University of Copenhagen, Denmark</i>
5	Characterization of the CDA-HFD mouse as a model of NASH	<i>Anders Augustinus Larsen, Novo Nordisk, Denmark</i>
6	EEG surgery and postoperative care	<i>Kasper Larsen, H. Lundbeck A/S, Denmark</i>
7	Modulation of Nociception by Amitriptyline Hydrochloride in the Speke's Hinge-Back Tortoise	<i>Christopher Musembi, University of Copenhagen, Denmark</i>
8	Investigation of noradrenergic receptor system in anti-nociception using formalin test in the naked mole rat (<i>heterocephalus glaber</i>)	<i>Royford Mwobobia, University of Copenhagen, Denmark</i>
9	Ecosystem of the naked mole rat (<i>Heterocephalus glaber</i>); a unique biomedical research model	<i>Royford Mwobobia, University of Copenhagen, Denmark</i>
10	Norecopa: a source of international 3R resources	<i>Adrian Smith, Norecopa, Norway</i>
11	Identifying fish - methods for tagging and marking	<i>Pernilla Strigner, The Swedish 3Rs Center, Sweden</i>
12	Chronic Inflammation in the naked Mole Rat using complete Freund's Adjuvant	<i>Jesse Thuo, University of Copenhagen, Denmark</i>
13	Dental burr assisted laminectomy in a rat model of thoracic spinal cord contusion injury: Acute and chronic effects on welfare and on the outcome of the model	<i>Harikrishnan Vijayakumar Sreelatha, SCTIMST, BMT Wing, India</i>
